TERRAIN DESCRIPTION

Tallinn's medieval old town is very well preserved and known for its authentic hansaetic architecture. There are cobble stone streets lined with medieval churches, spectacular gild houses, old granaries and ware houses, some of them dating back to the 11th century. Tallinn Old Town is an excellent sprint terrain with parks, city streets and ascent offering numerous interesting route choices.

PUNCHING SYSTEM

SPORTident - electronic SPORTident punching system SI-AIR+ is used, whereby one only needs to swipe the SI- card ca 40 cm near the control point in order to punch in the control. One can participate with all SPORTident card. If you do not have the SI-AIR+ card then you must punch in the regular way, by placing the SI-card in the punching unit.

GENERAL COMPETITION RULES

Jüriööjooks is a relay, where each competitor can run only one leg. The winner is the first team in the finish line, who has finished the race according to the rules. Start is closed 30 minutes after the finish of the main class winner. Mass start is given five minutes after closing the start to all competitors who have not started yet (including the members of teams that have been disqualified). Finish is closed 2 hours after the mass start.

PRIZE GIVING

The travelling prize "Kalevipoeg throwing a stone" will be received by the absolute winner for one year. Every member of the winning team will receive a small copy of the travelling prize. In case a non-Estonian team wins then the travelling prize will remain in the Estonian Sports Union "Jõud". Three first teams in the main class will receive prizes. The best team both in the junior and veteran class will receive a prize, also the best practitioner team. Special prizes are given to the first finisher in each leg.
